

UNIVERSIDAD
DE COLIMA

Courses taught in English for Virtual Exchange with Academic Credit Transfer and Recognition.

Period: August – December 2021

Number of courses: 9

1. School of Tourism

No.	Course	Academic program	Semester	Hours	Credits	Language
1	Strategic Management	BA in Tourism management	5º.	5 per week	5	English
Details of the course						
	available slots	2	Link to website	You can contact us to ask for the curriculum of the subject.		
	Prerequisites	To have taken one or two administration subjects				
	Professor	D en C Irma Magaña Carrillo		email	irma@ucol.mx	

2. School of Mechanical and Electrical Engineering

No.	Course	Academic program	Semester	Hours	Credits	Language
1	Commutation and Routing Fundamentals	B.Sc. in Electronic and Telecom Systems Engineering	3	60	5	English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	Introduction to communication networks				
	Professor	Fermín Marcelo Rubén Maciel		email	fermin_maciel@ucol.mx	

No.	Course	Academic program	Semester	Hours	Credits	Language
2	Experimental Design	B.Sc. in Electronic and Telecom Systems Engineering	5	60	5	English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	None				
	Professor	Pablo Armando Alcaraz Valencia	email			

No.	Course	Academic program	Semester	Hours	Credits	Language
3	Research Seminar II	B.Sc. in Mechatronic Engineering	9	60	5	English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	Research Seminar I				
	Professor	Pablo Armando Alcaraz Valencia	email			

No.	Course	Academic program	Semester	Hours	Credits	Language
4	Theory of Probability	B.Sc. in Intelligent Computing Engineering	1	60	5	English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	None				
	Professor	Víctor Hugo Castillo Toepte	email			

No.	Course	Academic program	Semester	Hours	Credits	Language
5	Machine learning	B.Sc. in Intelligent Computing	5	60	6	English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	None				
	Professor	Víctor Hugo Castillo Toepte	email			

No.	Course	Academic program	Semester	Hours	Credits	Language
6	Power Quality	B.Sc. in Mechanical and Electrical	5	60		English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	Power System				
	Professor	Tiberio Venegas Trujillo	email	tvenegas@ucol.mx		

No.	Course	Academic program	Semester	Hours	Credits	Language
7	Renewable Energy	B.Sc. in Mechanical and Electrical	5	60		English
Details of the course						
	available slots	10	Link to website	Available in Google classroom from an institutional account		
	Prerequisites	Power System				
	Professor	Tiberio Venegas Trujillo	email	tvenegas@ucol.mx		

3. School of Economics

No.	Course	Academic program	Semester	Hours	Credits	Language
2	Marketing management	BA in International business	7		4	English
Details of the course						
	available slots		Link to website			
	Prerequisites	International Marketing, International Trade, Culture, Economics, and Business in Asia, International Business Integrative Workshop.				
	Professor	Gustavo Adrián Carrillo Jiménez	email	gcarrillo3@ucol.mx
